My name is Jane Cunneen Thorn, my husband Dennis and I moved to Florida from New York in February 2017. I have a degree in accounting. As an accountant for forty years my work experience has been in varying industries including public accounting, not for profit, education, government, and manufacturing.

Community involvement has been a rewarding experience that has yielded many opportunities and new friends; I have worked as a volunteer for Babylon Beautification for the past fifteen years and with the Boy Scouts of America Suffolk County Council for fourteen years in a various capacities involving scouts. As a resident of Suntree I have become involved in the Neighbors of Suntree, Brevard Symphony Orchestra South Guild and Friends of the Library. I have served on the Spanish Cove Homeowners Association board in 2017 as Treasurer and 2018 as President.

I currently serve on the Suntree Master HOA Covenant Enforcement Committee.
